

# Isenfir Dayshade Sign-out Agreement

Legal Name: \_\_\_\_\_

SCA Name: \_\_\_\_\_

Name of Event: \_\_\_\_\_

Expected Date of Return: \_\_\_\_\_

Intended Use: \_\_\_\_\_  
(*common tent, troll tent, demo, etc.*)

The tent is to be used as a dayshade on the List Field or as a common tent in an encampment with a Shire presence. It is not to be used as a personal or private tent of any kind. In other words, it must remain “open to all” for the duration of the event. The only exception to this rule is if the tent is to be used as a classroom tent, troll tent, etc. as determined by the camp steward or event autocrat.

Use and care guidelines are listed on the back of this form.

By signing below, you agree to the following:

- I agree to return the tent in a clean and dry condition. I understand that it is up to the group exchequer and/or seneschal to determine if the tent is in acceptable condition, and I will abide by that decision.
- If the tent is determined to be in an unacceptable condition, I agree to be responsible for replacing canvas and/or set-up parts as determined by the seneschal and exchequer, up to the cost of full replacement (\$879.00).

## USE & CARE GUIDELINES

When pitching the tent, do not allow it to come into contact with overhanging leaves or branches. Branches will abrade the canvas; leaves will cause stains.

The canvas is not flame retardant. Use caution with open flames. Only candles are allowed under the canvas. Larger flames such as tiki torches or campfires should be kept at a safe distance. Use common sense.

When packing the tent, make sure the canvas is free of dirt, leaves, bugs and any debris that will stain the canvas during storage.

Make sure the tent is DRY when it is packed away. If the canvas is even the slightest bit damp, you must pitch the tent as soon as you get home from the event so that it can dry out.
